The Honorable Daniel J. Flood  
House of Representatives  
Washington, D. C. 20515

Dear Mr. Flood:

Thank you for bringing to my attention the letter which you received from [ ] concerning his desire to relocate [ ]

[ ] has been in touch with various Agency officials since 1959 to offer his services to us in a European assignment. In retrospect, the Agency's responses have been perhaps more kind than candid. These approaches have been acknowledged with a polite thank you indicating no immediate interest but we haven't said to [ ] in plain language that we had neither present nor future interest in his offer to be of service. Conceivably, he could be an "asset in place" if he were located [ ] but the possibilities seem to be too remote to justify our employing him and placing him there.

Following [ ] letter of 26 April, our personnel people wrote him that we would take another look at his file and this has been done. They are now sending a letter to him telling him that the results were not encouraging. A copy of that letter is enclosed.

I appreciate the sincerity of [ ] desire to serve in the battle against Communism and regret that we have no opportunity to take advantage of his generous offer to be of service to this Agency.

Sincerely,

(signed) W. F. Raborn
